Miss I. Liard,
1, rue Magenta,
Pantin, Seine, France

Dear Madam:

The list of coins and medals offered by you to the Metropolitan Museum has by them been submitted to us. I regret to advise that we are not interested in this collection because it comprises many coins which are already in our cabinet, but even if this had not been the case, it would have been impossible for us to have considered your offer without seeing the coins. The condition of these pieces plays a very considerable part in the value placed upon them and it is impossible to describe this condition accurately. Under separate cover I am returning your list.

Very truly yours,

Secretary
